*To Charles Fred Becker,
Professor of Education,
Interpreter of the Teaching
Profession, Friend of the
Student, we dedicate this
Sequelle of 1929 as a token
of esteem and appreciation.*

CLARION TEACHERS' COLLEGE

During a recent act of the State Legislature, the State Council of Education was given the authority to change the State Normal Schools of Pennsylvania into Teachers' Colleges, thus making them eligible to give a four year course and grant the degree of B. S. in Education.

Under this Act, Clarion Normal made application to the State Council and fully met every requirement and condition for the conferring of the collegiate degree. On December 2, 1927, by a resolution of the State Council of Education, Clarion State Normal became Clarion Teachers' College.

DR. RIEMER

Dr. Riemer began his term of office at Clarion State Teachers' College on July 18, 1928. We are fortunate in having a principal who has such a broad and thorough education. He attended the Clarion State Normal School from 1889 to 1892. Entering Bucknell University in September 1892, he was graduated in June, 1895. During the next four years he was an instructor at Bucknell. From 1899 to 1901 he studied in the graduate school of Harvard University. He continued his graduate study at Leipzig and Berlin Universities in Germany. From 1905 to 1918 he was a professor of modern languages at Bucknell. During the summer of 1920 he had charge of the German Department at New York University. From 1918 to 1923 he was a member of the Department of Public Instruction. In that capacity he inspected the high schools of eighteen counties in the state. During 1923 to 1927, Dr. Riemer was principal of the Bloomsburg State Teachers' College.

We students of Clarion are certainly proud of our principal. His training and ability have enabled him to make this year one of the most successful periods of Clarion's history.

SENIORS

J.C.

*W*E Seniors have a deep feeling of regret as our Commencement approaches. We have enjoyed our sojourn here, and have become so accustomed to the cheerful atmosphere at Clarion that we are truly sorry to leave. We have tried to take advantage of every opportunity offered at our school. Perhaps we have failed, to some extent, because there are myriads of splendid opportunities, all of which we could not possibly grasp. However, we have had a broadening of experience that will be forever valuable to us, and conducive to the richest and most servicable lives possible. Our friends, acquaintances, and teachers have aided us in our intellectual development. We fully realize our duty to ourselves in utilizing all that they have offered us. We depart with a feeling of accomplishment, knowing that Clarion State Teachers' College has fulfilled her aim.

DEGREE GRADUATES

GLADYS LONG

Primary

Clarion, Pa.

How proud Clarion is to grant degrees to such students as these in this group. Mrs. Long has a very sweet personality that has won her many friends. She has many characteristics that the undergraduates may develop. She is refined, dignified, studious, witty, and original.

PEARL NEWTON MILLER

Primary

Clarion, Pa.

Could words ever describe Mrs. Miller? Her life must be very full, for she gives so much of herself away. Her personality radiates so that she has won friends from the tiniest tots in the training school to the head of the college.

THE JUNIOR HOSTESS CLUB

The enthusiasm which has been expressed in the Junior Hostess Club this year indicates that the Senior Hostess Club of next year will be unusually successful. The aims of the organization are to prepare the girls to be hostesses in the future, and to help them form the best friendships among both boys and girls. The Hallowe'en party and the Valentine party were sponsored by the members of this club. These parties were greatly enjoyed by both the Seniors and the members of the faculty. The Junior Hostess Club is a new organization this year, but if that fact were not known, it certainly would be natural to think that it is one of the time honored organizations of the school.

THE SENIOR HOSTESS CLUB

The Senior Hostess Club is one of the new organizations which came into existence this year. The object of this club is to help each member acquire social poise by studying the etiquette of the dining room, the dormitory, and the campus. In fact, it is to give each participant a clear and definite understanding of social life in order that she may have, on all occasions, the unaffected grace and charm of a cultured person.

The work of this club consists of a study of everything worthwhile in social life, and of putting the knowledge gained into action by giving various types of social functions during the year.

THE YOUNG MEN'S CHRISTIAN ASSOCIATION

The Young Men's Christian Association of Clarion College is not based upon denominationalism, but instead it welcomes all who have an interest in the religious side of life.

All the men of the College are eligible for membership in this organization, whose aims are to promote the social side of life and to guide the young men in character building.

Meeting every Wednesday evening in the Music Hall, the men have been privileged to hear addresses and discussions on the current problems which present themselves both in school and out. To have a well-rounded life, a student must belong to the Young Men's Christian Association.

JOURNALISM CLUB

The aims of the Journalism Club are listed under the following headings: the study of journalism as an art; the study of journalism as a profession; and the establishment of a good school paper. The club has endeavored, in the planning of all of its programs, to keep in view these aims and to carry them out as far as possible. The outcome of this earnest endeavor has been the Clarion Call, our school paper, which has been a continued success since the first publication.

ART CLUB

The Art Club of Clarion State Teachers' College is not a new organization. Rather it is an organization based on previous successful years, and one whose popularity is shown by the necessity of dividing it into sections.

In spite of this division, the two sections have practically the same aims in view for the Club. To further interest in art work and to promote the appreciation of art are the two major objectives which have marked this year's progress.

During the year the problems have been unusually practical. Craft work, such as tie-dying of handkerchiefs and scarfs, block-printing and making of decorative designs in different mediums have constituted part of the work. Exhibitions of these materials were given from time to time.

TRAVEL CLUB

Entering the second year of its history, the Travel Club, with a membership of over one hundred, has endeavored to create, maintain, and promote an interest in travel.

Contributing features to such an extensive program were interesting talks given by the different members of the club, a lecture by a well known traveler, and a Christmas pageant.

An interesting and highly entertaining lecture was given by Mr. Jack Culbertson on the "Tropics of South America and Africa" and following this a major event of the club was a pageant, "Christmas in Many Lands", a part of which was played before the entire student body.

Much of this year's success is due to the efficiency of the following officers under the experienced leadership of Miss Elizabeth Keithan.

COLLEGE EDUCATIONAL CLUB

The Educational Club of the College is one of the recently organized groups, and is composed of persons interested in earning the degree of Bachelor of Science, which is granted by this institution. Membership is based on scholarship, recommendation by at least three members of the faculty, and general vote of the active members of the organization.

The club has as its objectives cultural, educational, and social activities. One of its projects during the present year is the publication of an alumni quarterly. This publication, it is hoped, will keep the members of all the alumni interested in the progress and development of our Alma Mater.

THE CLARION CALL

This year the Clarion Call Staff in keeping with the spirit of progress manifested in the school, increased the size of the paper to a six page monthly publication.

Their purposes have been to represent truly the spirit and standards of Clarion State Teachers' College, to give every phase of school life its due recognition, and to serve both their school and their patrons.

Accordingly, each issue has appeared full of interesting up-to-date stories of general school events, parties, societies, clubs, and athletic games, as well as editorials, jokes and personal news of students and faculty.

THE BOYS' STUDENT COUNCIL

The Boys' Student Council is an organization which meets every Monday night for the purpose of dealing with the various problems arising among the young men who live in the dormitory.

This council is supervised by Professor J. O. Jones, Dean of Men, who with the co-operation of Paul Stewart, Max Graham, Joseph Kata, Clyde Moore and Herbert Steele, makes such rules and regulations as are thought necessary for the well being of the boys in the dormitory.

THE OWL AND PEN

The only persons eligible for this club are those members of the Debating Team who have participated in more than half of the regular scheduled debates and thus have gained the privilege of wearing the club emblem.

The purpose of this club is to bring a greater interest to debating and further the progress of intercollegiate debate. The schedule for this year included debates with Slippery Rock, California, and Edinboro State Teachers' Colleges. The subject was, Resolved: "That the American System of Trial by Jury should be abolished."

Seventy Five

THE STORY TELLING AND MODERN LITERATURE CLUB

*T*his club was organized this year for the purpose of promoting the interest in story telling and developing a knowledge of our modern literature. The ability of Miss Nesbitt as a story teller has been displayed on several occasions and the members of the club are very fortunate in having her as their faculty advisor.

In the study of modern literature the students have made a survey of the best writers of Europe and America. Although the membership for this year was very small, the interest that has been maintained throughout the year gives promise of its rapid growth.

COLLEGE PLAYERS CLUB

The meetings of the College Player's Club this year have consisted largely of miscellaneous dramatical programs conducted by various members of the club.

The members of the club enjoyed a very delightful trip to Pittsburgh, where they saw the play, "Volpone," by Ben Johnson. Through participation in plays, and in play producing, they have had an unusual opportunity to receive good dramatic training.

CHAPEL REPRESENTATIVES

The idea of chapel representatives is entirely new to the student body. On November first during the chapel period, the chapel captains were installed by Dr. Riemer. Each student was required to make a pledge. He pledged to abide by all the rules and customs of the school to the best of his ability, and to assist in every possible way in the uplifting of the school. His duty is to take the tri-weekly chapel attendance of his particular section. There is no doubt that this work is very valuable not only to the school, but to each student, who feels a sense of responsibility and leadership.

ORCHESTRA

The success of the orchestra, as well as the other various musical activities of the school, is due principally to the leadership of Mr. Bland, our efficient supervisor of music.

The orchestra presented unusually interesting programs at several numbers of the lyceum course during the year. It also appeared promptly at the plays and programs given by different school clubs. After hearing classical music played by this group of amateur musicians, the audience could not possibly refrain from being in a receptive mood to enjoy the programs which followed.

Aside from the efficient leadership of Mr. Bland, the genuine success of the orchestra this year is due to the wholehearted interest and co-operation expressed by each member. Everyone was ready and eager at any time to do his best.

EVENTS

MOTHERS' DAY

One of the most enjoyable and happy events of the year was Mothers' Days, April 28 and 29, 1928. The success of the Mothers' Days of previous years has made this affair an annual custom. Credit is due Dr. and Mrs. Robert M. Steele, who planned the first Mothers' Days at Clarion.

A heavy snowstorm detained some of our guests, but most of the mothers arrived before classes were dismissed on Saturday morning. The forenoon's program consisted of visiting the different classrooms, touring the campus, and inspecting the dormitories. On Saturday afternoon from three to six, Mrs. Steele entertained the mothers in her home in Music Hall. On Saturday evening the play, "The Charm School" was presented by the Senior Class. On Sunday morning a special Mothers' Day program was held in the chapel. Beautiful yellow daffodils and large white lilies decorated the altar and entrance. Special music was rendered by the Vested Choir and Male Quartet. An impressive address on "My Mother's Crown" was delivered by Reverend Lawrence B. Ford of New Bethlehem, Pa. On Sunday afternoon the mothers were entertained by their own particular wards.

SKIP DAY

Senior Skip Day? Not exactly! We, the Juniors of last year (now Seniors), feel that we did a little skipping too.

For many days the Junior detective agency had been on the look-out for secret senior class meetings, guarded group discussions or other equally suspicious actions. Not a sign of anything unusual!

As is often the case with indiscreet persons, just one little thoughtless detail revealed the entire plot. Bacon, cheese, bread, pickles, bananas, etc., are symbols of picnics. These articles were found in abundance in the kitchen. No one seemed to be informed as to how, when, where, and by whom this food was to be eaten. A crowd of Juniors put two and two together (Mr. Wilkinson taught them how) and the results? ----- Senior Skip Day!

"And then came the dawn." The kitchen was raided, the Senior breakfast quickly but carefully transferred to waiting motors, which speedily drove away to places of safety. A few minutes later, Ruth Campbell with a carload of Junior girls returned from a thrilling ride to the Senior picnic grounds, "The Narrows" near East Brady. After a short debate, it was decided that the Juniors would dine on the Seniors' breakfast at Miola.

Eighty Five

After the Junior members had assembled at Miola, preparations for cooking breakfast were begun. Soon each individual was presented with an awkward, but very good bacon and cheese sandwich. An hour or so later we returned to school and classes.

By no means did this end our fun. A class meeting was held after chapel and the possibilities of a weener roast at Mary Ann were discussed. Dr. Steele approved of the idea so that afternoon we went out to Mary Ann for an outdoor picnic. We reached the dormitory early in the evening in time to welcome our upper classmen.

If outward appearances were an indication of the all day picnic at the Narrows, the Seniors had a fine time. Sunburned hands and faces, grimy, dust streaked, soiled knickers, all told of a happy outdoor picnic.

ALUMNI DAY

The last Saturday of the school term was an eventful one for the graduates of our normal. Words of welcome appeared on bunting hung across the streets to herald the arrival of the Alumni into town. Shall we ever forget that "We are Glad You Are Here" greeting hung across Wood Street at Science Hall? How many years has it fluttered in the breeze for the Alumni?

The greater part of the day was spent in class reunions. In the afternoon, the Alumni gathered in groups on the campus and viewed a second staging of "The Enchanted Garden" by the Physical Education Department.

The Alumni Banquet was very interesting to the juniors who served. Each class was toasted by one of its representatives. A dance ended a big day for those who returned to their Alma Mater.

THE RECEPTION

The annual first semester reception was given by the Y. W. C. A. at the C. S. T. C. September 15, 1928.

The students met in the reception room at eight o'clock. Charlotte Walters, president of the Y. W. C. A. greeted the students, and introductions to the faculty and board of trustees then followed. After the exchange of greetings the crowd assembled in the social room, where Dr. Riemer, Mrs. Ralston and other members of the faculty gave interesting talks. Mr. Bland sang two beautiful selections. The remainder of the evening was spent in games and dancing.

Eighty Six

HALLOWE'EN PARTY

The annual Hallowe'en party was sponsored by the Junior Hostess Club. The decorating committee did wonders in transforming the dining room and the reception hall into weird abodes of witches. The entrance to the social room was guarded by a huge spider suspended from his web.

All the faculty and students were invited to take dinner in Becht Hall. Dinner was preceded by a grand march of those in costume. During the meal three ghosts wove a spell about the tables, and witches tossed fortunes from their black bags. After dinner, the crowds moved to the social room, where they solemnly stood about the graves of the faculty and listened to their obituaries and fates. The evening's festivities ended in dancing.

DADS' DAY

The first Dads' Day held at the school, November 17, 1928, was an unqualified success. The program for the day was planned by Coach Jones. At 10:30 the inauguration of Dr. Riemer was held in the chapel. Mr. Harry N. Rimer, secretary of the board of trustees, made the address of induction. Dr. Riemer made the address of acceptance. The main speech of the morning program was given by Dr. Joseph H. Apple, president of Hood College, Frederick, Maryland.

Saturday afternoon the Dads had the privilege of seeing our boys win a football victory over Lock Haven.

In the evening, a short program in which the letters were given to the football squad was given in the dining room.

The Dramatic Club, under the direction of Miss Edgar, presented a one act play, "The Trysting Place". This ended the Dads' Day program of the year 1928. So successful was the occasion that Dads' Day will always be observed in the future.

SENIOR CLASS PLAY

The play presented by the Senior Class of 1929 was "Mr. Pim Passes By", a clever comedy of English country life by A. A. Milne. This play, presented in the College chapel on the evenings of May third and fourth, was the entertainment feature of our campus on Mothers' Day. The excellent production was

made possible by the usual fine directing of Miss Dorothy Edgar, who has established a reputation for giving unique and worthy plays to Clarion audiences.

FOOTBALL SQUAD

FIRST ROW. Steele, Barber, Graham, E. Rowley, Hunt—Captain, V. Rowley, Callen, McDonald, Wise, Moore.
 SECOND ROW. Vassia—Assistant Coach, Stranges, Kara, Kaizer, Krenmel, Powers, Ramsey, Reedy, Braendle, Lindquist, Allen,
 Williams, Jones—Coach.
 THIRD ROW. Dovenspike, H. Stewart, Mahaffey, P. Stewart—Manager, Kline, Barger.

J. O. JONES, Coach

By his dexterity Coach Jones gathered a squad of men together which resulted in one of the best football teams in Clarion history. He instilled a spirit of determination into his men, and that spirit together with a thorough knowledge of the game made the season a success. Jones was most ably assisted by Victor Vassia, a graduate of Thiel.

Immediately after football, basketball came into vogue. The success of athletics has been due to the untiring efforts and capability of Coach Jones. He deserves to be congratulated for the credit he has brought to Clarion athletics.

ON THE GRIDIRON

The football season of nineteen hundred twenty eight was in many ways a come-back for football at Clarion. The Purple and Gold representatives won three games and lost five. It was not only the playing of the stalwart young fellows that proved them a worthy team, but the splendid system used by the coaches.

Dr. Lackey proved to be a friend of the players more than once during the season, and to him we wish to express our appreciation.

ACCOUNT OF GAMES PLAYED

CLARION 44

ASHLAND 0

The first football game played on the new Athletic Field was between Ashland High School and Clarion. Clarion played a fast, snappy game and scored in every quarter.

Coach Borell's boys were outweighed, but played a good clean game.

Ninety One

MANSFIELD 20

CLARION 0

Probably the hardest fought game was played at Mansfield. The weather proved ideal and, with a good field to play on, our boys brought the "pigskin" within a few yards of the goal line several times.

INDIANA 20

CLARION 0

October 13, will long be remembered because it was on this day that "College Field" was dedicated. The game was hotly contested, and it was not until the second half that any decided gain was made against Clarion. The game was well played, and good sportsmanship prevailed throughout the game.

CLARION 31

FRANKLIN 7

The fourth game of the season terminated in an overwhelming victory. The line as well as the back-field displayed its strength against the opponents.

SLIPPERY ROCK 2

CLARION 0

Both teams were evenly matched and some well-played football was witnessed. The plays zig-zagged up and down the field, both teams carrying the ball within one or two yards of their goal lines. The game ended with a small score in favor of Slippery Rock.

EDINBORO 41

CLARION 0

This was the only game in which Clarion seemed unable to check the advance of her opponents. Our line proved weak against Edinboro's "huskies". Although Edinboro's fast team could not be excelled, yet several of our men proved themselves to be the gamest type of athletes.

CALIFORNIA 19

CLARION 0

On a field covered with snow, Clarion met California on their home field. Our boys displayed a brilliant attack and held Ewing's squad almost scoreless during the first half. During the last half, our defense weakened and California soon piled up the resulting score.

CLARION 13

LOCK HAVEN 0

Dads' Day! The big day had arrived to be crowned with the victory of the year. Every man on the team seemed to have found himself and team work was apparent throughout the game. Our visitors played excellent football, but were easily outclassed by Clarion. The game was a most renowned climax for the football season of Clarion State Teachers' College.

Ninety Two

BRAENDLE

CAPT. HUNT

P. STEWART, MGR.

EUGENE BRAENDLE

Halfback

Gene came all the way from Detroit to play football for Clarion. He played good, clean football. His efficiency in catching forward passes gained many yards for Clarion. Gene was the best punter on the squad. We are sorry to say he left school at the end of the first semester.

ALDEN HUNT

Quarterback

CAPTAIN

Hunt has the distinction of being one of the best athletes found on the gridiron. He is a speedy little player and was a tower of strength to both the offense and defense. He has an indomitable spirit that never says die. His leadership as captain was unparalleled. Any school can well be proud of the record made by Hunt.

PAUL STEWART

Manager

Stewart by devoting his best efforts proved a capable manager. His willingness in performing his duties made him efficient. Stewart went to work with a determination in order to give his best to the team. He was ever willing to lend a helping hand and was a true support to the team.

Ninety Three

STRANGES

MOORE

KATA

JOSEPH STRANGES

Halfback

With the graduation of Stranges the school will lose one of the best all-around athletes. Joe has always earned three letters for himself each year, which shows his athletic accomplishment. Stranges had the dexterity of getting through the tight places on the field, which made him a conspicuous player.

CLYDE MOORE

Tackle

The record made by Moore surpassed that of last year's. His spirited playing on the field was an incentive to his fellow team-mates. He was a menace to his opponent and made him realize the real meaning of opposition. Moore has been chosen captain of next year's team. We are sure he will prove a very capable leader.

JOSEPH KATA

Tackle

Kata is another new man in Clarion athletics. His first appearance on the field showed him to be an eminent player. His aptness in holding the line was unexcelled. When a play was called for a run through left tackle, we could count on a good gain. Kata could win for himself a position on any college team.

WYSE

DUMARS

GRAHAM

KENNETH WYSE

Guard

Ken Wyse was one of the most spirited and pluckiest men on the squad. More than once he showed his ability as a real football player. He is a player of the sure steady type that never falls down in a pinch. Wyse has been a credit in athletics during his three years at Clarion.

WILBUR DuMARS

End

A small player, but good and a valuable lineman. Dewey could tackle the heaviest of them. He had a determination that was admirable when he entered the game. He was one of the pluckiest men on the team. DuMars always seemed to be in the place to check the advance of his opponents.

MAX GRAHAM

Tackle

Max played his last year of football for Clarion. He was one of the most powerful men on the squad. Max fought his way through the season with a determination that successfully stopped many of his opponents. Max is one of the men who will graduate this year, and his absence will be keenly felt.

Ninety Five

E. ROWLEY

KLINE

V. ROWLEY

ELWOOD ROWLEY

End

This was Rowley's second year on the squad and he more than measured up to our expectations. He has held the end position both years and has mastered his duties at the terminal. His ability to receive end passes proved a feature in the games. He played superb football during the entire season.

RAYMOND KLINE

End

Last year Kline played the position of tackle. He soon became accustomed to his position at end and played real football throughout the season. He was alert and was always ready to tackle the runner. Kline's athletic ability is not limited to football alone. Next year should add greater distinction to him as an athlete.

VERNER ROWLEY

Tackle

The position of tackle was filled in a way that is worthy of comment. A man playing on the line does not have much chance to show up, but Rowley did. He was one of the largest men on the squad, a fact which made him an excellent linesman. He was a "plugger" and was game to the last man.

LINDQUIST

KREMMEL

STEELE

ROBERT LINDQUIST

Center

Lindquist was the snapper-back on the squad. As center Bob was there with the goods. He played consistently during the entire season. His stability on the line proved a menace to the offense. He had the distinction of scoring the first touchdown against a Teachers' College. Bob proved to be a valuable player for Clarion.

CLETUS KREMMEL

Fullback

This was Kremmel's first year on the squad, and he proved to be one of the most valuable players. He was an efficient player and could score as well as play the defense. One of his accomplishments was his ability to catch passes which often resulted in a touchdown. Kremmel always played hard on the offense.

HERBERT STEELE

Guard

His first year of football was a credit to Steele and to the school. He always seemed to be in the right place to stop the attack of his adversaries. When a play was called, through Steele's position a hole was always assured. We hope Steele will be with us to battle for the "Purple and Gold" next year.

Ninety Seven

ALLEN

H. STEWART

WILLIAMS

ORVAL ALLEN

End

Allen is a new man at Clarion, but he soon showed his athletic talents. At end "Sleepy" showed his real worth this season. He was a player "chock full" of vim and grit. On the offense he played hard, consistent football. We feel he will be an asset to the team next year.

HOWARD STEWART

Fullback

Howdy was the best utility man on the squad. He began football the third week of school. Stewart could hit the line hard and was competent in making a gain.

Stewart's weight and build were assets to his ability to play football.

KENNETH WILLIAMS

Quarterback

"Jock" made his debut in Clarion athletics the third week of the football season. We were soon convinced that he knew the technique of the game. He could play football with the best of them. He was a player of quick and peppy action. Much is expected of Williams in the future athletics of Clarion.

BASKETBALL

Williams, one of the forwards, was the pivot man of the team. He led the individual scorers and was an outstanding player.

At guard, Kline displayed fine skill and fitted well in the combination which Coach Jones molded together this year.

Rowley played equally well at any position on the team. He played an offensive and defensive game that deserves credit.

Kata playing his first year at Clarion proved a valuable player. He played consistently and was a credit to the team.

Stranges completed his successful basketball career at Clarion. He proved a capable man when given the opportunity.

Our center, Allen, proved efficient in securing the tip-off and added materially to the attack of the team.

Hoak entered Clarion the second semester. He was given opportunity to show his ability and fulfilled all expectations.

Moore playing back guard proved a nemesis to the opposing forwards. He was an excellent floorman and a steady player.

Lindquist played the position of back guard. He was efficient in breaking up passes and contributed to the defense.

Verner Rowley did not experience any trouble in out-jumping the opposing center. He could be relied upon to make a score.

Chitister was another deserving forward. He was speedy and developed confidence as a basketball player.

Heeter began basketball the second semester. Due to injuries received during practice he was unable to play.

Clarion's 1928-1929 basketball season, although not a winning one, can be termed successful. Immediately after football, basketball practice began. Some thirty men reported. Clarion's strength was in her wealth of material. The spirit of fairness and good sportsmanship displayed by the players this year is complimentary to our team. Coach Jones deserves a great deal of credit for the way in which he coached the team.

*T*his is the first year that the Reserves have had an independent schedule, but they proved themselves capable of playing basketball. Most of the material was new, but Coach Jones developed a team that was fast and had good passing and teamwork. The success of the season can be directly attributed to the determination and hard work of the players.

1929

MISS PERRY

Clarion girls are fortunate in having for their instructor in gymnastics, Miss Ruth Perry, whose tact and skill as director of physical education cannot be excelled.

Not only do the girls know her as an instructor, but as a coach who has shown interest in many sports. Her pleasing personality makes all the girls feel free to tell her their problems and know that they will receive a sympathetic response.

HOCKEY

The hockey games for this season were curtailed by bad weather. After several practices the members had begun to show excellent team work. We feel certain that if it had been possible to play intercollegiate games, our girls would have upheld their records of previous years. With the excellent new athletic field and better weather conditions, we are confident that next year the girls will have better success.

GIRLS' BASKETBALL SQUAD

First Row. Luther, Simpson, Haines, Love, Lewis, McElharten, Schwab.
Second Row. McGreggor, Whitehill, Wilson, Cook, Bigler, Wank, Barnes, Taylor.
Third Row. Moyer, Stelzer, Miss Perry, Miller, Walters.

BASKETBALL

The basketball season this year was filled with enthusiasm throughout. The first game of the season was a Junior-Senior game, in which the Juniors reaped the victory. The Seniors fought hard and were not easily defeated. They challenged the Juniors and were again defeated by a score of 24-23. An intra-mural tournament was carried out very successfully by dividing the Physical Education classes into teams.

In the fastest and most exciting game of the season, the McKees Rocks Teachers won from the Clarion lassies by a score of 20-12. Our girls showed splendid team work and in this way out played their opponents. However, the College girls were not up to par in their goal throwing.

There was no outstanding player, but each did her best to help raise the score. All the girls deserve to be congratulated for the good clean playing shown in this game.

TENNIS

This year a tennis tournament was successfully carried out in the physical education classes. Each girl chose the partner with whom she desired to play. The winners in one game played the winners of another.

In the doubles contest the score was first for one team, then for the other, making it difficult to decide just who would be victorious. The final score, however, gave the championship to Lewis and Love by a score of 6:2—8:6.

Lewis and Love deserve much credit for their sportsmanship shown throughout the games.

A similar tournament was carried out in "singles". Dorothy Cowan took the leading role throughout the contests. Her last opponent was Ruth Lewis. "Dot" was not to be defeated in any of the games, but came out victorious by a score of 6:3—6:3.

MARCH

1. What a Prom!

SEQUENT

JOKES

Miss Keithan—"What did you do during vacation?"
Ruth Campbell—"Nothing, I went to summer school."

Helen Shipe—"I'm telling you for the last time that you can't kiss me."
Kenneth Coggan—"Fine! I knew you would weaken sooner or later."

LOVE

"Love is like an onion
You taste it with delight
And when it's gone, you wonder
Whatever made you bite."

Janitor—"Hey, there! Don't spit on the floor."
Max Graham—"Why, does the floor leak?"

H. Porter—"Gee, Jane, I don't think much of your bob."
Jane M.—"That's all right, Helen, I don't want you to think much of him."

Braendle—"Why does Peg call you maple syrup?"
DuMar—"Because I'm such a refined sap."

D. Callen—"Where are you from?"
Helen Simpson—(Trying to make an impression). "From New Kensington."
D. Callen—"You didn't live there three years ago."
Helen Simpson—"No, I moved from there five years ago."

E. Rowley—"Every time I kiss you it makes me feel like a better man."
H. Wilson—"Well you needn't try to get to Heaven tonight."

Football players may be pretty brave, but the contractors have more sand.

Most all of us: "If you want to see the flattest of the flat, just take a look at my pocketbook."

ONE AND ONE ARE TWO
A peach came walking down the street
She was more than passing fair,
A smile, a nod, a half-closed eye,
And the peach became a pair.

Mickey McFarland—"Got my golf socks on today."
Kline—"How's that?"
Mickey—"Eighteen holes."

Wilbur DuMars—"What would you give for a voice like mine?"
Harry Moore—"Chloroform."

D. Cowan—"I notice there are a lot of simple things in evening gowns this season."
Ken Wyse—"Yes, I have been dancing with one all evening."

Charlotte Walter—"Oh, John, Mrs. Ralston would be wild if she were to see you kissing me."

John Barger—"But I ain't kissin' you."

Charlotte Walter—"Oh, I thought you were just going to begin!"

Elenor Bigler—"Is your love for me absolutely unselfish?"

Ken Williams—"Absolutely, dear."

Elenor B.—"Then I wish you'd go somewhere else tonight. Ellwood Rowley promised to call."

Ida McClelland—(thoughtfully). "Why do so many women rest their chins on their hands when they are thinking?"

Lindquist—(brutally). "To keep their mouths shut so they wont disturb themselves."

Updegraff—(To passing motorist). "Hi, mister, I'm going your way."

Motorist—"So I see; but I bet I get there first."

Wyse—"If you keep looking at me like that, I'm going to kiss you."

Mary Dore—"Well, I can't hold this expression much longer."

Crusty—"Time out! I lost a tooth."

Verner—"Next time swallow em, and don't be holding up the game."

Eleanor Barrett—"I want a film for my camera."

Druggist—"What size?"

Eleanor—"120 by 2."

Irene Hetrick's favorite candy is "Oh, Henry."

Wyse—"Say, Hoak, are you a good looker?"

Hoak—"I've been told so."

Wyse—"Then look under my bed for my cuff link."

Alice Killeen—(studying ancient history). "Why do they put B.C. after the dates?"

Florence Waggett—"Because they didn't know whether the dates were exactly right so they say—bout correct."

Marie McAninch—"What did you and Coggin talk about last night?"

Helen—"Oh, we talked about our kith and kin."

Ruth Wilson—"Yes, Marie, I heard them." Coggin said, "Can I have a kith!"
And Helen said, "Yes you kin!"

Mrs. Ralston—"Do you play by request?"

Kaizer—(Orchestra leader). "Yes, we do."

Mrs. Ralston—"Would you please play dominoes until I have finished reading this letter?"

Mahaffey—(First time at Vesper service). "Are they all going to get their hair cut?"

J. O. Jones—(Telephoning). "I'll be there in a jiffy!"

Girl friend (disappointedly). "Aw, I thought you had a Chrysler."

Dot. Alcorn—"My face is my fortune."

H. Barnes—"Somebody short-changed you, dear."

Green Junior—(having voice tested). "What kind of a voice have I?"

Mr. Bland—"You have a very mellow voice."

Green Junior—(later, reading from Webster). M-e-l-l-o-w—over ripe, rotten.

Ruth Hoffman—"Do you sing alto?"

Mildred Rea—"No, I have never heard that song."

Charlotte Walter—"When do you think a girl really becomes an old maid?"

Marian Timlin—"When she decides her complexion isn't worth a shot of powder."

Mahaffey—"I got fifty on my intelligence test."

Reitz—"That makes you a half wit then, doesn't it?"

Allan—"What is a dumb waiter."

Monks—"A fellow who asks a girl for a kiss and waits for her to say yes."

Sara Cook—"Does 'Bubbles' Rowley snore in his sleep?"

Donald Thompson—"How should I know; I'm not in any of his classes."

Miss Sandford—"You can't sleep in this class."

Roy Doverspike—"I know, I've been trying for half an hour."

Landlady—(Knocking at the bed-room door). "Eight o'clock! Eight o'clock."

Manson—(Sleepily). "Did you? Better call a doctor."

H. Manson—"You missed my class yesterday, didn't you?"

P. Stewart—"Not in the least, sir, not in the least."

Emma Avery—"I've read that men grow bald because of the intense activity of their brains."

Henderson—"Exactly, and women have no whiskers because of the intense activity of their chins."

Mr. Wilkinson—"Does the moon affect the tide?"

Vic—(Looking at Flanagan). "No, merely the untied."

Lincoln Once Said

"Teach economy. That is one of the first and highest virtues. It begins with saving money."

The J. C. Penney Company has built up a large business by saving money for its customers. We buy in carload lots, by the thousand dozen, and these economies are the secret of our Low Prices.

Save! Save! Save! It is the watchword of our business.
